**Subject:** BAT Schedule priorities - DER#6 & App E

Beth & Alice:

As discussed on Tuesday's call, we had requested that Norm Richardson review DER#6, but learned this morning that he was unable to finish yesterday as planned (primarily because of his focus on completing App E - PRGs). Given that Rich Califano has already completed one senior QC review of DER#6, I have directed Ed & Juliana to finish DER#6 for submittal tomorrow without Norm's review. We will have Norm complete his review in parallel with Marc Greenberg's.

As options, if you prefer, we can prioritize one deliverable (either DER#6 review or App E) for Norm and delay the other.

Regards,

Scott
